

NEHEMIAH

Starting the work that God has laid on your heart

I. Choose to prepare vs. II

- Faith walks out when fatigue walks in
- Passion without preparation is a problem.
- There is a difference between acting courageously and acting carelessly.
- Nehemiah knew that there are no victories at bargain prices.

II. Check out the problem vs. 12-16

- Not everything that is faced can be changed, but nothing can be changed until it is faced.
- Be relentless in your quest to know the truth about what is happening around you.

III. Challenge the people vs. 17-18

Nehemiah to the people: “I came here to be a risk-taker not an under-taker.”

A group of 90 year olds were asked, “If you could live your life over again, what would you do differently?”, they said:

- I would reflect more.
- I would risk more.
- I would do more that would live on after I am dead.

IV. Champion the power of God vs. 19-20

- God always does the right thing.
- God always does the right thing, even if it takes a long time.
- God always does the right thing, even if we don't understand.
